The GLC Sport Utility Vehicle

Mercedes-Benz
The new GLC is more intelligent, dynamic and self-assured than ever. With a fascinatingly cutting-edge operating system that adapts more accurately to your needs and preferences every day. With an even more expressive SUV design. And with comfort and safety systems that attend better than ever to you and your well-being.

A strong character with new facets.
A whole new way of operating a car. Simple. Intuitive. With words, touch or gestures. This is MBUX – the new Mercedes-Benz User Experience. The highlights: new digital displays and touch control elements, a natural speech recognition system plus the ability to adapt itself better to you each day.

Come on in!
The new GLC has plenty of surprises in store.
Nothing appeals to the eye more than an aura of strength and athleticism. And the new GLC with the AMG Line has a particularly sporty charisma. With its broader shoulders, integrated tailpipe trim and new rim designs, it conveys even greater sense of power and dominance. In addition, the new flattened tail lights feature LEDs as standard for the first time.

Treat your eyes to something special.
Top up your energy levels.

Everything here in the interior has just one objective: to make the time you spend here as enjoyable as possible. With ENERGIZING packages to enhance your sense of wellbeing as and when you need them. With new optional sports seats for tangibly more lateral support and comfort. And with a Burmester® surround sound system that can turn your music, upon request, into a superb audio experience.
A more striking radiator grille, filmed elegant chrome elements, and slimmer headlamps lend the front end of the new GLC an even more commanding SUV-style presence.

Commanding presence from a standing start.
Adaptive suspension systems, all-wheel drive, and electrified engines. All of this is possible for the new GLC. Among the absolute highlights available are the optional AIR BODY CONTROL air suspension system for exceptional driving stability, the practical 4MATIC all-wheel drive system and the new electrified petrol engines with EQ Boost.

Only the new GLC handles like this.
Energising comfort and exemplary safety.

During rush hour, on long drives at night, or on unfamiliar routes – your new GLC noticeably takes the strain out of driving, particularly in stressful situations. It’s all down to a concept that makes every journey in a Mercedes-Benz a safer and exceptional experience: Mercedes-Benz Intelligent Drive. Because the time you spend behind the wheel is your time. Time for relaxation. Time to replenish your energy. So that, first and foremost, you reach your destination safely, but are also relaxed when you get there.

EQUIPMENT HIGHLIGHTS – DRIVING ASSISTANCE SYSTEMS

Driving Assistance package: CREATIVE WAY TO MINIMISE STRAIN: THE NEW, INTELLIGENTLY CUSTOMISED SAFETY SYSTEMS HELP YOU, DEPENDING ON THE SITUATION, WITH ADJUSTING YOUR SPEED, CHANGING LANES AND EVEN WITH YOUR COBBLESTONE CAPTAIN: THE NEW GLC OFFERS REDUCED - PASSENGERS AND ROAD USERS ARE EFFECTIVELY PROTECTED. THIS WAY YOU ARE ABLE TO ENJOY YOUR JOURNEY IN COMFORT.

The innovative PRE-SAFE® Sound system generates a hissing noise from the loudspeakers that can trigger a protective reflex in your auditory system (fully desarrollado, making it possible for the hearing system to respond more efficiently to stressful situations). The system can even differentiate between the driver and the front passenger – so ensuring you have access to the menus you wish to use.

You can now control and adjust almost everything intuitively using just one finger in the new GLC. It’s all very straightforward, via either the large touchscreen, the new touchpad or the Touch Control buttons on the new steering wheel. A quick tap is all it takes to customise the style of the display, the ambient lighting or the infotainment system to your requirements.

The fully digital instrument display with the display styles “Classic”, “Progressive” and “Sporty” enables you to decide which information is important to you and how you wish to have it displayed. The 31.2 cm (12.3-inch) display delivers a pin-sharp image which is very easy to read in all light conditions.

A touchscreen, a touchpad and Touch Control buttons on the steering wheel bring a whole new meaning to vehicle control. Like second nature, thanks to MBUX – with intuitive touches, voice control and gestures.

The optionally available Burmester® surround sound system turns your new GLC into a unique acoustic experience. The system is based on a wealth of perfectly orchestrated components that have been tailored to the vehicle interior: 13 high-performance speakers, Frontbass technology and a 9-channel DSP amplifier with a total output of 590 watts. For outstanding audio quality with high sound-level reserves.

The new AMG Line sports seats offer you appreciably more lateral support and comfort, particularly when driving at high speed. Visual highlights include the fine two-tone upholstery in cranberry red and black ARTICO man-made leather as well as the unique and exciting AMG design.

Sports seats.
Standard equipment and appointments.
Even with the standard specification, a harmoniously stylish exterior awaits you. Its features include exclusive design elements in chrome and attractive light-alloy wheels. The visible, chrome-plated tailpipes serve to emphasise the vehicle’s dynamic appearance.

The EXCLUSIVE interior equipment line.
The EXCLUSIVE interior allows you to show what matters to you: the utmost in elegance and top-class quality down to the most minute detail. The luxury highlights and the refined ambience of your interior, with such features as the exclusively designed seats and elegantly upholstered instrument panel, will continue to delight you each day anew.

The AMG Line.
The expressive styling of the AMG Line lends the exterior a sporty, exclusive touch. As such you can make a clear statement for powerful design. On top of this, the technical features give palpably more fun at the wheel, since the agile configuration of the sports suspension with Sports Direct-Steer makes the handling noticeably dynamic.

The Night package.
The Night package adds some appealing visual features: many of the exterior elements are finished in black, so underscoring the sporty character and special individuality of your vehicle and allowing you to demonstrate your sense of expressive design and exclusive sportiness.
Adaptive suspension systems.
The new GLC not only adapts to the road surface, it also responds to your needs: the AGILITY CONTROL suspension, configured for outstanding ride comfort, comes as standard. Also available: 4MATIC all-wheel drive and the exceptionally sporty DYNAMIC BODY CONTROL suspension with steel springs and adjustable damping. One of the absolute highlights: the AIR BODY CONTROL air suspension for exceptional driving stability coupled with outstanding comfort and agility.

4MATIC all-wheel drive.
When moving off or accelerating, during dynamic cornering or in easy off-road terrain: 4MATIC, the improved permanent all-wheel drive system from Mercedes-Benz, ensures superb off-road performance and optimum traction as standard with many of the engine variants in the new GLC. The all-wheel-drive system is constantly active and does not require any time to react and intervene: in this way it ensures unique directional and driving stability, especially on a slippery surface caused, for example, by rain, ice or snow.
